

# Mindshift Drum Fills

Performed by Isaac Teel of Tauk

This is the linear pattern played on only the snare & kick. Use a metronome and start as slow as you have to. The goal tempo is 140.

Start Slow

Count Out Loud

Keep It Steady

The final step is to take this linear pattern and make it your own. Experiment with different orchestrations around the drumset until you come up with something unique and pleasing to you. Below is an example of a different orchestration of this pattern.
